

ADOPTION RECORDS HANDBOOK

Adoption Searches Made Easier

By Author Teresa Brown

Hello!

I would very much like to be able to check this book out of your library.

I have asked the publisher to provide the details for your review.

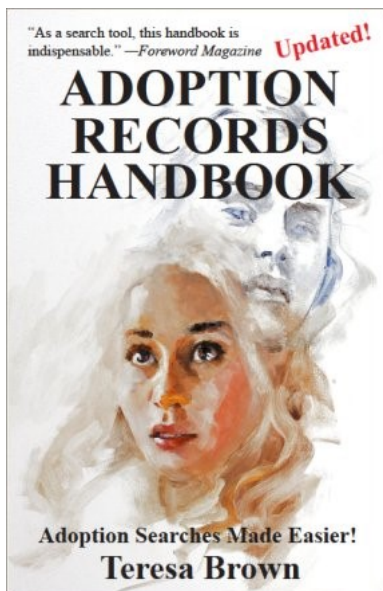

If this book meets with your approval, please consider purchasing it for your location so I can check it out.

Thank you!

Reviews:

“The search for a birth family can be daunting, but Brown believes that no one should be denied the right to his birth information because it may inconvenience someone else. As she says, “Whether good or bad, let them find their answers.” As a search tool, this handbook is indispensable.” —*Foreword Magazine*

“A 133-page compendium of sound information, practical instructions, and real-world advice, “Birth Family Searches Made Easier” truly lives up to the promise of its title. Simply stated, “Adoption Records Handbook” should be a part of the reference collections of every community library in the country. —*Midwest Reviews, Small Press Book watch – Reviewers Choice*

About the Book

- Five pages of Search Angels who will help searching for free
- Public records requests form
- Court house records
- 23 pages of search tips
- Legal documents templates
- And much more.

Librarians, please use this ISBN so you don't get the old version. This is the current updated book.

Thank you.
