

ADOPTION RECORDS HANDBOOK

By Author Teresa Brown

Hello!

I would very much like to be able to check this book out of your library.

I have asked the publisher to provide the details for your review.

If this book meets with your approval, please consider purchasing it for your location so I can check it out.

Thank you!

Simply stated, "Adoption Records Handbook" should be a part of the reference collections of every community library in the country. —*Reviewers Choice, Midwest Reviews Small Press Bookwatch*

"As a research tool, this handbook is indispensable. —*Foreword Magazine*

About the Book

Inside the covers of this book are twenty-two pages of imaginative and helpful search tips, letter examples, Waiver and requests for Non-Id information forms, lists of Search Angels who will help in searches at no charge, registries, state statutes, etc. There are also templates all the paperwork needed to file a Pro Se Petition to open adoption records. The Adoption Records Handbook is a road map to help birth families discover the past and the future with step-by-step directions to lead the way.

About the Author

Teresa Brown is the author of several books in a variety of genres under both her real name and her pseudonym of Teresa Marotta, which include children's books, non-fiction, two novels, plus several eBooks. All of these books can be located at the Crary Publications link below.
